Designed and Engineered in the USA

Since 1989, Tuffy Security Products has been a leading provider of secure vehicle storage products for outdoor enthusiasts. Tuffy designs and engineers consoles, drawers, enclosures and lockboxes to exacting standards in Cortez, CO.

Many products are vehicle specific and use existing mounting points – no drilling required.

The full line of Tuffy security solutions provide superior protection against theft, enable safe cargo management, increase gear accessibility and offer the option of flexible keyless lock-entry for multiple users.

I could make any number of testaments to how much I like this product, but I feel the fact that I'll be putting one in my truck soon says enough.
 —Chris Corde, Overland Journal

When you have a lot of gear to secure, Tuffy cargo drawers offer a tremendous amount of organized space and security. Available in multiple configurations to fit most vehicles and budgets.

For what it's worth, I'm a cop in Texas. My department has used Tuffy for years. It is the main reason that I use your products in my personal vehicle(s). Both of my sons are cops, and they too have Tuffy lock boxes in their vehicle also. We won't use anything else. Keep up the great work. —Robert

Premium Concealed Storage

Our Underseat Security Drawers mount inconspicuously out of sight of opportunistic thieves. When concealed storage is a priority in your rig, the search stops here.

- ▣ **Pry Guard locking system**
- ▣ **Premium slides for reliable operation**
- ▣ **Welded steel construction for durability**

Tuffy has your lockbox needs covered with a full spectrum of lockboxes specifically designed for Trucks and Jeeps, as well as small, medium and large portable options for a wide range of applications.

Tuffy Portable Lockboxes

Originally designed for the US Government, these lock-boxes are engineered for high security and portability of firearms and valuable equipment. Tuffy's unique system does not require a separate padlock and can be released in seconds to transfer the lockbox between vehicles or locations. Gas struts are standard on larger lockbox lids.

LOCKBOXES

The Tuffy Tailgate Lockbox

Secured to the inside of your Jeep tailgate, the tailgate lockbox provides ample secure storage for tools, camping and other gear. The door folds down doubling as a work table supporting up to 40 pounds and comes equipped with 2 removable shelves. We construct this lockbox to last with 16-gauge steel, heavy duty fasteners and finished with a durable textured powder coat finish. Mount it using standard hand tools with or without an OEM hardtop.
