

SERIOUS THEFT PROTECTION

FORD F250, F350, F450 SECURITY CONSOLE INSERT

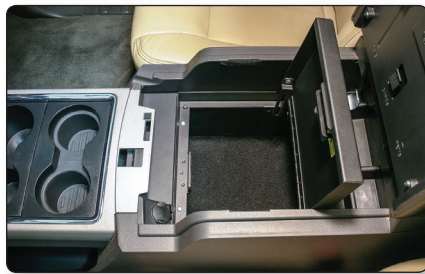

Continuing the Tuffy legacy of designing and manufacturing the finest console inserts in the industry since 1997, Tuffy is proud to introduce our new security console insert for the Ford Super Duty 2011-2016 with a flow-through center console.

This 16 gauge steel console insert provides style, security and convenience. While maintaining the refined curves of the OEM console, the Tuffy console insert transforms your OEM console into a heavy-duty lockable storage area utilizing Tuffy's Pry-Guard locking system with 10 tumbler double bitted security key to help protect valuables from thieves.

The Tuffy console insert provides access to optional OEM power outlets in the console. The innovative design utilizes an exclusive lid support feature that keeps the lid open while accessing contents.

The insert maintains a completely stock look including full use of the factory accessory rubber insert, armrest and lid. Featuring a durable texture powder coat finish, the insert comes ready to install in just a few minutes without drilling.

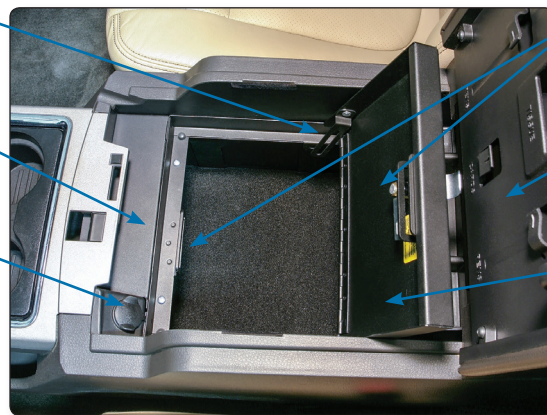

Tuffy exclusive lid support feature that keeps the lid open while accessing contents.

Includes external integrated accessory tray to keep convenience items within easy reach.

Provides cord access to optional OEM 12v power outlets from the console.

Quick and easy install, no drilling.
