

SERIOUS THEFT PROTECTION

TOYOTA TACOMA SECURITY CONSOLE INSERT

Continuing the Tuffy legacy of designing and manufacturing the finest security console inserts in the industry since 1997, Tuffy is proud to introduce our security console insert for the Toyota Tacoma with a fixed center console.

This 16 gauge steel console insert provides style, security and convenience. While maintaining the refined curves of the OEM console, the Tuffy console insert transforms your OEM console into a heavy-duty lockable storage area utilizing Tuffy's Pry-Guard locking system with 10 tumbler double bitted security key to help protect valuables from thieves.

The innovative design utilizes an exclusive lid support feature that keeps the lid open while accessing contents. The insert maintains a completely stock look including full use of armrest and lid. Featuring a durable texture powder coat finish, the insert comes ready to install in just a few minutes without drilling.

Patent pending.
