

## POLICE SEDAN TACTICAL GEAR SECURITY DRAWERS

Part# 167-420220080-000-01

### FEATURES

- Patented Pry-Guard II locking system with a 1/4" thick steel latch which enables the drawer to be latched closed without locking for convenient access.
- Patented Anti-twist push button lock system with a 10 tumbler double bitted security key containing built in weather seals
- Unlike other cabinet type drawers on the market that use retrofitted cabinet or house locks, the Tuffy drawer incorporates a patented pushbutton latching mechanism similar to typical OEM automotive door latches.
- Optional Combination pushbutton lock can be added to the Pry-Guard locking system
- Weatherproof design
- Tab-loc welded 16 gauge steel construction
- Typically lighter weight than others on the market through superior engineering
- Durable Powder Coat Finish
- Heavy duty, space saving, bottom mount roller bearing slides feature (8) Precision ground stainless steel sealed roller bearings mounted in an innovative 1/8" thick steel slide system. Pulls out 75% and rated to 250# evenly distributed on standard drawer.
- Heavy duty reinforced 1/8" and 16 gauge thick welded top cross supports. Top is rated to 300# evenly distributed (Side by side models are rated to 550# evenly distributed).
- Heavy duty drawer cross brace
- Large comfortable handle
- Grade 8 mounting hardware included
- Drawer is pre-punched on 1" centers for dividers in a variety of configurations (Sold separately)
- Key alike available for multiple products in a vehicle or fleet applications

### TUFFY SECURITY PRODUCT'S TACTICAL GEAR SECURITY DRAWERS OFFER STATE OF THE ART SECURE GEAR STORAGE AND ORGANIZATION.

Tuffy drawers can be configured several different ways to fit your storage needs. They can be latched shut without locking, saving you the trouble of unlocking both the vehicle and the drawers every time access is required. Tuffy drawers weigh less than other drawers so heavier duty rear vehicle springs are not typically required.

#### READY TO SHIP & CUSTOMIZABLE:

Drawers are ready to ship for the Ford Police Interceptor Sedan, Ford Crown Victoria, Chevy Caprice and the Chevy Impala. All Tuffy Tactical Gear Security Drawers are customizable with the options listed below. In the unlikely event that we do not have an existing design for your vehicle application, our engineers can create a custom configuration to fit your needs. Contact your Account Manager for details.

#### OPTIONAL ACCESSORIES:

Name .....	Part #
Divider kits .....	168, 222, 233
Divider Carpet kits .....	231, 232, 234
Carpet trim kit for the drawer .....	230
Keyless Entry .....	089
Foam inserts .....	FOAMF or FOAMP

#### MOUNTING KITS

Each drawer enclosure is suspended below the trunk roof providing clearance for the ventilation fan and speakers, while still providing space below the enclosure and access to the spare tire.

Mounting kit (*sold separately*) may be required for specific vehicles. Each mounting kit comes with an electronics tray which provides 420 square inches of mounting area (12"x35" approx.) designed to be out of the way, yet easy to access. If more area is required, an auxiliary electronics tray is available.

Separate mounting kits for different vehicles, check vehicle measurements before ordering. All PPV sedans require a mounting kit.

Visit [pro.tuffypromoducts.com](http://pro.tuffypromoducts.com) or call 800.348.8339 to contact your Account Manager for specific vehicle fits, sizing, options, and part numbers.

Custom sizes available for other vehicles.
